

EVALUARE

1. **Vorbiți despre istoricul apariției și evoluției în timp a unei limbi de circulație națională/internațională.**
2. **Prezentați avantajele persoanelor cunoscătoare de limbi străine, argumentând opțiunea dvs.**
3. **Traduceți următoarele fraze în limba română:**
 1. Knowledge of languages makes a person wiser.
 2. Studying and preserving a language is an urgent necessity.
 3. Land, language, and history are the three values that distinguish a nation.
 4. To respect your country means to master its language, to know its history, and to love its land.
 5. With the help of language, one can convey everything a person feels: anger, joy, happiness, sadness.
 6. Along with the development of society, new words and expressions appear.
 7. Constant protection of the word from mistakes, corruption, and distortion is necessary.
 8. We must master the language of the country in order to study the subjects that will be taught in Romanian and to adapt more comfortably to society.
