

EVALUARE

1. Relatați (în 10 enunțuri dezvoltate) despre *rolul comunicării interculturale în societatea modernă*.

2. Traduceți următoarele fraze în limba română:

1. Language is a tool of culture that shapes a person's identity.
2. At the foundation of modern civilization lies the diversity of cultures, which are constantly interconnected and interacting.
3. Sometimes people fail to understand each other due to insufficient knowledge of everyday culture, daily behavior, and the traditions of another people.
4. The connection between language, culture, and communication is natural and inseparable.
5. A modern person begins to understand that the cultural identity of their own people cannot be separated from the cultural identity of other peoples.
6. To study a foreign language means to enter an unfamiliar world and to become open to the new.
7. For the successful implementation of intercultural communication, its participants must possess not only a foreign language but also knowledge of the culture of another country.
8. In the process of intercultural communication, future specialists develop both general and professional culture.
9. In intercultural interaction, it is necessary to grasp the characteristics of the communicators' national character.
10. General cultural competence allows students to engage in the dialogue of cultures.
