

Unitatea IV: Lecția 1.	PROCEDUL DE A OBTINE UN LOC DE MUNCĂ
---	---

EVALUARE

1. Relatați despre felul în care o persoană trebuie să se comporte la un interviu de angajare și numiți etapele pe care trebuie să le parcurgă persoanele ce sunt în căutarea unui post de muncă.

2. Traduceți următoarele fraze în limba română:

1. A successful and efficient job search is a key indicator of professional success.
2. Preparing a résumé thoughtfully, by reflecting on your experience and interests, is essential.
3. Employers seek candidates who bring existing knowledge to the company while remaining open to learning new skills.
4. Crucial steps in a job search include researching the company and the position, crafting a structured self-presentation, maintaining a professional image, and cultivating a positive psychological mindset.
5. Highly qualified specialists have a greater likelihood of securing prestigious positions.
6. Accuracy, perseverance, and punctuality are fundamental qualities for success in any professional path.
7. Before embarking on a job search, you should clearly understand your abilities, competencies, and preferred type of work.
8. Every young professional understands that entering the workforce is a challenging and lengthy process.
